(copy of report attached to minutes)

Membership: Reported by Judy Leventhal

Total Membership Revenue: \$35,510.00
Total membership: 367 members;

Twelve teams are at 100%. No winter teams at 100%
23 Platinum members, 4 diamond members.

Smaller teams – if a team has 13 members, should we make their Booster Club payment less (currently \$250) since it comes out to almost 50% of what they brought in. Discussion as to what teams use their \$250 for – most use it for banquet. Consider whether to revisit this next year.

School Store: Reported by Tamara Greenberg

- Made \$900 at recent school event.
- Just placed a new order. Quarter zips and sweat pants are all being ordered.
- Big push in summer getting ready for orientation.
- Trying to get clothing approved for gym because so many parents wanted to buy it at back to school night.
- What do people think about having an online site with more variable items: Phone cases, pillows, socks, custom items. Discussion about whether it would work or not.

Spirit: Reported by Jeanine Resnick

- Feb 1 is senior night for basketball and it is also community night.
- Will also having something for wrestling.
- We should sell clothing.

design approval.]. Trying to get it up by first home game. There will be event and dedication ceremony/unveiling. Varsity Baseball coach has raised money to buy banners for fences which will be wind screens. Will have distance markets added as well.

Banners: Reported by Draga Dubick

- Trying to get more sponsors for glass wall in gym. Had a graphic artist do a representation of what it would look like. Got OK to do banners like in stadium. For \$1500 per year can get banner up in gym for 12 months from date of purchase. Smaller banners but can fit about 20 in there.
