AD Report:

- Swimming won State Championships;
- Girls Basket Ball has big play-off game tomorrow and if they win they will have the regional game on Saturday;
- Spring sports are all indoors because of the weather;
- March 12 is Spring Sports Night;
- March 18 Picture Day;
- Supervision plan now in place. Coaches need to develop supervision plan. Who is monitoring players before/after practice or games. There has to be an adult with any players staying after school. The adult has to be a paid staff member – can't be a parent. Kids are not allowed to hang out until practice. Teams can try to develop a study hall with someone supervising. In talks with county as to how to handle this situation.
- Golf funding request for a device to help kids get better. Booster will support but want to make sure that someone is responsible for monitoring equipment.
- Bulldog costume? We raised \$1200, cost is \$4000 so still trying to figure out how to raise more money for it. Jesse will reach out to SGA for help.

President's report: Draga Dubick

- Winter Sports banquets coming up;
- Banner Auctions: One sold, bid on basketball banners, will have 4 more sales total. Will receive \$1000 total. Someone interested in buying a banner for under \$250. Need to figure out if we want to reopen bidding in September.
- Hall of Fame – have many nominations. Will be kept open until April 1.
 - Banquet for Hall of Fame being reconsidered may want to still have annual Gala and have Banquet in the Fall during a football game and a dinner at a restaurant for whomever would like to attend. Still will try to raise funds for improvement for Hall of Fame.
