**Athletic Director Funding Request and Report:** Scott

- A. After discussion and questions, the following funding items were approved without objection:
  - 1. Two benches for the stadium. The request is \$1300. Motion approved.
  - 2. Temporary fencing for our softball field due to construction. The request is \$465. Motion approved.
  - 3. A wheelchair for our training room to be used for indoor and outdoor sports. The request is \$400. Motion submitted to first seek donations first through medical professionals, then if not successful, purchase completed without further discussion. Motion approved.
  - 4. Daktronics Scoreboard in Main Gym replacement parts. The request is \$1000. Motion approved.
- B. Purchase policy for new team uniforms. Scott explained the uniform purchase options for teams: 1) Individuals buy a uniform to keep with no expenditure by Athletic Dept; 2) Athletic Dept purchases uniforms for an 8 year (Varsity/JV programs) or 4 year (Varsity only programs) cycle; 3) For out of cycle purchases, teams may fundraise for the uniforms; 4) In rare cases of loss or damaged uniforms, the Athletic Dept may purchase out of cycle at the AD's discretion. In the case of Varsity Boys Basketball, there are more needs for differing sizes, so a few uniforms are in the process of being purchased by the athletic dept, but will not be completed in time for this season. Scott has documented the current uniform cycle expectations and made that available.
- C. Community Night was not as well attended, but the attendees enjoyed themselves. Need to plan community nights so they are not immediately following a long break in order to have time for reminders. Scott has developed options for the lacrosse community night, but the only girls/boys varsity doubleheader is on April 18, just after spring break. Scott will work with Elaine and Draga to find other options.
- D. Big upcoming events: Cheer Competition at Paint Branch, Saturday, Jan. 26;  
Poms Competition at RM, Saturday, February 14  
Basketball Coaches vs. Cancer Fundraiser at Varsity Doubleheader vs. Whitman on Tuesday, Feb 3 featuring Raffle, Shooting Contests and formal recognition and presentation of State Champion Golf Team. (Golf Team is also going to the Statehouse on Feb. 26 to be recognized)  
Spring Sports Tryouts start Saturday, Feb. 28  
Spring Sports Night and Booster Club Spring Membership Drive on Monday, March 9
- E. Football Schedule for 2015-16 has been published. Homecoming will be October 9 vs. QO. Scott explained that the other dates were not viable due to holidays or being too early in the season.
- F. The Bulldog windscreen has collapsed. Scott is in the process of having it picked up.
- G. The Girls and Boys Tennis Teams need coaches. In the past, recent college grads have liked these part time positions. Elaine will help publicize. New varsity head football coach opening has been posted and some applications received.

**Membership:** Wendy/Elaine

Membership for winter sports teams has not seen interest. Gina Shultz Farney is sending out a note to wrestling with mentions of what has been purchased to help the team. The Athletic Department is able to pay for indoor track and outdoor track entry fees due to the fundraising provided by Booster Club. The Athletic Dept
